Dear Fleet Manager:

My name is John Constantin, owner of Bison Fleet Specialists. In any service business today, time is money! When a vehicle breaks down, it is very important to have it up and running ASAP. Having all of the repairs done at one location can help that process. Bison Fleet Specialists has the knowledge and technology in our facility to accomplish this task. With 19 lifts and 36 bays you can be assured that peace of mind can be yours. Bison Fleet Specialists will be a valuable resource for your company.

We have been serving our customers for more than 20 years. Our technicians are New York State, Crane Institute of America, Hyrail and Dielectric Certified Inspectors. We also perform DOT inspections. I will be contacting you in the near future to discuss your company's needs.

If you have any questions regarding this letter, please contact me at 716 894 5799.

Sincerely,

John Constantin
Owner
